2. PROVISION OF CAT SYSTEM

2.1. CAT System. Subject to the terms of this Agreement, CATLLC hereby grants CAT Reporter access to the CAT System and the ability to use the CAT System. CAT Reporter may access and use the CAT System only for the purpose of submitting CAT Data related to its business operations and correcting

such CAT Data as provided in Section 3.3 and, in the event that CAT Reporter is a Participant, for such other uses as set forth in the CAT NMS Plan. CAT Reporter expressly consents to CATLLC's, the Participants', and the Plan Processor's use of the submitted CAT Data, provided that such use is authorized by the CAT NMS Plan. CAT Reporter and CATLLC acknowledge that CATLLC, the Participants, and the Plan Processor are not authorized by the CAT NMS Plan to use the submitted CAT Data for commercial purposes, provided that a Participant which is a CAT Reporter may use its own submitted Raw Data for such purposes.

2.2. Authorized Users. CAT Reporter shall designate a "Super Account Administrator" who shall be responsible for establishing user names and initial passwords (each, "Access Credentials") for each account administrator account and each user account required by CAT Reporter. CAT Reporter is solely responsible for ensuring the security of Access Credentials and ensuring that each Authorized User accesses the CAT System using only the Access Credentials assigned to such Authorized User. Upon the request of CATLLC or the Plan Processor, CAT Reporter shall provide to CATLLC or the Plan Processor (as applicable) a complete list of its current Authorized Users. CAT Reporter shall be solely responsible for any action or inaction of any of its Authorized Users. CAT Reporter shall ensure that the Super Account Administrator disables user access for any Authorized User no longer authorized to access the CAT System. CAT Reporter shall notify CATLLC and Plan Processor promptly (but in any event within two (2) business days) after becoming aware that any Access Credentials are, or are suspected of being, lost, stolen or compromised. 2.3. CAT Reporter Contact Information. As part of the registration process for access to and use of the CAT System, CAT Reporter shall provide accurate contact information, including a notice address that CATLLC may use for any notice to CAT Reporter in accordance with Section 7.1, and shall promptly update such contact information and notice address upon any change to such contact information or notice address.

2.4. CAT Reporting Agents. In the event CAT Reporter elects to engage a CAT Reporting Agent to report CAT Data to the Central Repository on behalf

of CAT Reporter, CAT Reporting Agent must enter into a written agreement with CATLLC pursuant to which CAT Reporting Agent agrees to fulfill the obligations of CAT Reporter under the applicable Participant's Compliance Rules. CAT Reporter acknowledges that CAT Reporting Agent will not be provided the ability to act on behalf of CAT Reporter absent such a written agreement. CAT Reporter remains responsible for compliance with the requirements of the applicable Participant's Compliance Rules, notwithstanding the existence of an agreement described in this Section 2.4.

2.5. Limitations on Use of the CAT System. CAT Reporter shall not do, attempt to do, nor authorize or instruct any other Person to do, any of the following (directly or indirectly) (provided that nothing in this Section 2.5 is intended to limit any regulatory access and use of CAT Data by a Participant that is expressly permitted under the CAT NMS Plan):

(a) use the CAT System for any purpose, at any location or in any manner not specifically authorized by this Agreement;

(b) use the CAT System in any manner that would violate any applicable Law;

(c) disclose any Access Credentials to any Person other than to the Authorized User to which such Access Credentials apply;

(d) make or retain any Copy of any portion of the CAT System or any CAT Data except as specifically authorized by this Agreement;

(g) refer to or otherwise use any portion of the CAT System as part of any effort to develop a

program having any functional attribute, visual interface or other feature similar to those of the CAT System;

(h) remove, erase or tamper with any copyright or other proprietary notice printed or stamped on, affixed to, or encoded or recorded in the CAT System, or fail to preserve all copyright and other proprietary notices in any Copy of any materials from, or relating to, the CAT System made by CAT Reporter;

(i) disclose any result of testing or benchmarking of the CAT System, provided however that CAT Reporter may disclose testing or benchmarking of its reporting;

(j) sell, market, license, sublicense, distribute or otherwise grant to any Person, including any outsourcer, vendor, consultant or partner, other than an Authorized User or a CAT Reporting Agent, any right to use the CAT System or allow such other Person, other than an Authorized User or a CAT Reporting Agent, to use or have access to the CAT System, whether on CAT Reporter's behalf or otherwise;

(k) use the CAT System to conduct any type of service bureau or time-sharing operation or to provide remote processing, network processing, network telecommunications or similar services to any Person, whether on a fee basis or otherwise; or

(l) take or authorize any action or omission that would reasonably be expected to detrimentally interfere with the proper workings of the CAT System.

2.6. Notice of Breaches. CAT Reporter shall promptly give written notice to CATLLC and Plan Processor of any actual or suspected breach of any of the provisions of Section 2.5, whether or not intentional.

2.7. Regulatory Access. From and after the Effective Time, the records regarding CAT Reporter, if any, that are maintained or produced by the CAT System under this Agreement will be made available for examination, analysis and audit by Governmental Entities that have jurisdiction over CAT Reporter, and CAT Reporter expressly consents to such disclosure and use in accordance with applicable laws, rules and regulations.

2.8. Disclosure Restrictions. To the extent CAT Reporter receives nonpublic, proprietary or confidential information from CATLLC that is

marked as such, CAT Reporter shall not disclose or use such nonpublic, proprietary or confidential information unless such disclosure or use is required to meet its reporting obligations or is otherwise required by applicable law.

2.9. Plan Processor and Other Subcontractors. Services to be provided by CATLLC to CAT Reporter under this Agreement may be performed by the Plan Processor or any other subcontractor of CATLLC or the Plan Processor. In furtherance of the performance of such services, the Plan Processor or such other subcontractor may require access to CAT Reporter's information or data. CAT Reporter hereby authorizes CATLLC to release CAT Reporter's information or data to the Plan Processor or any such other subcontractor in furtherance of the performance of services under this Agreement provided that such release is subject to the terms of an agreement ensuring the protection of any such information or data provided to the Plan Processor or other subcontractor.

2.10. Modifications. CATLLC reserves the right to modify, revise or update the CAT System, including to accommodate technology advances or changes in Law and will notify CAT Reporter of any such change that impacts CAT Reporters. Modifications, revisions or updates to the CAT System may result in changes in the Technical Specifications of the CAT System.

2.11. No Interference with Operation of the CAT System. No right or remedy granted to CAT Reporter by any provision of this Agreement shall be deemed or permitted to allow any relief that would in any way interfere with the operation of the CAT System.

3. CAT REPORTER'S OBLIGATIONS

3.1. Procurement of Access. CAT Reporter shall be responsible, at its expense, for procuring and maintaining the computer hardware, access to communications systems (such as private-line transport), software or other items necessary for CAT Reporter to submit data to the CAT System as set forth in the Technical Specifications.

3.2. CAT Data. CAT Reporter, or a CAT Reporting Agent on behalf of CAT Reporter, shall submit all CAT Data that CAT Reporter is required by the Plan to submit to the CAT System. CAT Reporter, or a CAT Reporting Agent on behalf of CAT Reporter, shall transmit such CAT Data to the CAT System electronically in the format prescribed by the Plan Processor from time to time in the Technical Specifications. CAT Reporter is solely responsible for ensuring that any information or data that CAT

Reporter, or a CAT Reporting Agent on behalf of CAT Reporter, submits to the CAT System is accurate and complete. CAT Reporter shall maintain copies of all source data and current backup copies of all information and data submitted to the CAT System as required by the CAT NMS Plan. None of CATLLC or its Representatives shall have any liability for any loss or damage caused by CAT Reporter's failure to maintain any copy thereof.

3.3. Correction of Data. CAT Reporter shall correct all errors in CAT Data, or inaccurate CAT Data submitted to the CAT System as provided in the CAT NMS Plan and Technical Specifications. In the event that CAT Reporter is an Industry Member, CAT Reporter may access CAT Data submitted by or on behalf of such Industry Member solely for the purpose of making such corrections.

3.4. CAT Reporter Compliance. CAT Reporter shall ensure that it and each of its Authorized Users: (a) use appropriate safeguards to ensure the confidentiality of CAT Data and (b) do not use CAT Data stored in the Central Repository for any purpose other than a purpose expressly authorized by the CAT NMS Plan. Without limiting the foregoing, CAT Reporter shall comply with the applicable security obligations set forth from time to time on the Website. CAT Reporter shall comply with all applicable Laws and obtain all necessary consents from any Person, including any of its employees, customers or other third parties from whom CAT Reporter collects information or data, if any, regarding the collection, use and distribution of such information or data to the CAT System. The information or data may include personal or other information about CAT Reporter, or any of its employees, customers or other third parties. CAT Reporter agrees that CATLLC may use this information or data to carry out its obligations with respect to the operation of the CAT System, including, to the extent necessary to carry out its obligations under the CAT NMS Plan and only to such extent, the provision of such information or data to the Plan Processor, the Participants, other subcontractors or any Governmental Entity.

4. PAYMENTS

4.1. Fees. CAT Reporter understands that CATLLC intends to charge fees once it receives SEC approval for such fees. Such fees may be changed from time to time pursuant to fee filings made with the SEC. Information on any fee filings and SEC-approved fees will be provided on the Website.

4.2. Taxes. The fees and other amounts payable by CAT Reporter to CATLLC under this Agreement do not include any taxes of any jurisdiction that may be assessed or imposed upon the services provided under this Agreement, or otherwise assessed or imposed in connection with the transactions contemplated by this Agreement, including sales, use, excise, personal property, export, import or withholding taxes, or customs duties, excluding only taxes based upon CATLLC's net income. CAT Reporter shall directly pay any such taxes assessed against it, and CAT Reporter shall promptly reimburse CATLLC for any such taxes payable or collectable by CATLLC.

4.3. Payment Terms. CATLLC shall notify CAT Reporter on a regular basis of any fees due for access to or use of the CAT System. CAT Reporter shall pay the amount due to CATLLC in accordance with the rules approved by the SEC and adopted by any SRO that has jurisdiction over CAT Reporter.

5. REPRESENTATIONS, WARRANTIES, INDEMNIFICATION AND LIMITATIONS

5.1. Authority. Each Party represents and warrants to the other that such Party has (a) all requisite legal and company power to execute and deliver this Agreement; (b) taken all company or other action necessary for the authorization, execution and delivery of this Agreement; and (c) taken all action required to make this Agreement a legal, valid and binding obligation of such Party, enforceable against such Party in accordance with its terms. The individual executing this Agreement on behalf of CAT Reporter represents and warrants that he/she has the right to execute this Agreement and bind CAT Reporter to the terms and conditions of this Agreement.

5.2. CAT Data. CAT Reporter represents and warrants to CATLLC that CAT Reporter has the full legal right to submit to the CAT System the CAT Data submitted by or on behalf of CAT Reporter to the CAT System. CAT Reporter shall defend, indemnify and hold harmless CATLLC, each of the Participants, the Plan Processor and any other subcontractors of the Plan Processor or CATLLC providing software or services in connection with the CAT System, and any of their respective Affiliates and all of their directors, managers, officers, employees, contractors, subcontractors, advisors and agents ("Representatives") against any third party claim arising out of (a) a breach of the foregoing representation and warranty, (b) a failure by CAT Reporter or any of its CAT Reporting Agents to protect and secure CAT Data under its control, including any PII that is part of the CAT Data, (c) a

failure by CAT Reporter or any of its CAT Reporting Agents to protect its own systems from misuse (including from unauthorized use and malware infections) or unauthorized access to the CAT System by or through CAT Reporter's systems, or (d) a failure by CAT Reporter or any of its CAT Reporting Agents to comply with its obligations under this Agreement. Each of CATLLC, the Participants and the Plan Processor and each of their subcontractors shall be considered an intended third-party beneficiary of this Section 5.2, and each such Person may enforce this Section 5.2 against CAT Reporter.

5.3. Exclusion for Unauthorized Actions. None of CATLLC or its Representatives shall have any liability under any provision of this Agreement with respect to any performance problem, claim of infringement or other matter attributable to any unauthorized or improper access, use or modification of the CAT System by or on behalf of CAT Reporter, any unauthorized combination of the CAT System by CAT Reporter with other software, or any breach of this Agreement by CAT Reporter.

5.4. Other Limitations. The representations and warranties made by CATLLC in this Agreement, and the obligations of CATLLC under this Agreement, apply only to CAT Reporter and not to any of its Affiliates, any CAT Reporting Agent, any of CAT Reporter's customers or any other third parties. Under no circumstances shall any Affiliate of CAT Reporter, CAT Reporting Agent or any CAT Reporter customer or other third party engaged by CAT Reporter, be considered a third party beneficiary of this Agreement or otherwise entitled to any rights or remedies under this Agreement, even if such Affiliates, customers, or other third parties are provided access to the CAT System or contribute or transmit data to or maintained in the CAT System. CATLLC shall not be deemed CAT Reporter's official record keeper for regulatory or other purposes and shall have no obligation to retain any records or data on CAT Reporter's behalf during the Term or after termination or expiration of this Agreement. No action or claim of any type relating to this Agreement may be brought or made by CAT Reporter more than one (1) year after the date of the event forming the basis for the action or claim. CAT Reporter agrees that the one (1) year period in the preceding sentence may not be tolled for any reason, whether sounding in law or equity.

6. TERM AND TERMINATION

6.1. Term. This Agreement commences at the Effective Time and remains in effect until terminated as provided under this Section 6 ("Term").

6.2. Termination by CAT Reporter. CAT Reporter may immediately terminate this Agreement, by giving notice of termination to CATLLC and to the Plan Processor.

6.3. Termination by CATLLC. CATLLC may immediately terminate this Agreement, by giving notice of termination to CAT Reporter, upon the occurrence of any of the following events: (a) CAT Reporter materially breaches any of its obligations under this Agreement and does not cure the breach within thirty (30) days (provided that the breach is susceptible to cure) after CATLLC gives notice to CAT Reporter describing the breach, except that CATLLC may terminate this Agreement at any time without providing an opportunity to cure the breach by providing notice of termination to CAT Reporter if CAT Reporter commits a breach of Section 2.5 or 3.4, (b) CAT Reporter dissolves or liquidates or otherwise discontinues all of its business, (c) any Governmental Entity requires CATLLC to terminate this Agreement or suspend performance hereunder with respect to CAT Reporter, (d) CAT Reporter ceases to be a Participant or Industry Member.

6.4. Effect of Termination. Upon a termination of this Agreement, whether under this Section 6 or otherwise, CAT Reporter shall immediately cease all access and use of the CAT System, disable all Authorized Users and request the Plan Processor to disable all Access Credentials that have not been disabled by CAT Reporter, and shall immediately notify CATLLC in writing that CAT Reporter has taken all such actions. CAT Reporter shall remain liable for all payments due to CATLLC with respect to the period ending on the date of termination. The provisions of Sections 1, 2.5, 2.6, 2.9, 2.11, 4, 5 and 7 and this Section 6.4 shall survive any termination of this Agreement, whether under this Section 6 or otherwise.

6.5. Enforcement. CAT Reporter acknowledges that the restrictions in this Agreement are reasonable and necessary to protect CATLLC's legitimate business interests. CAT Reporter acknowledges that any breach of any of the provisions of this Agreement shall result in irreparable injury to CATLLC for which money damages could not adequately compensate. If there is a breach, then CATLLC shall be entitled, in addition to all other rights and remedies which it may have at law or in equity, to seek a decree of specific performance or an injunction issued by any competent court, requiring the breach to be cured or enjoining all persons involved from continuing the breach, on use of affidavit evidence or otherwise, and without furnishing proof of actual damages or posting a bond or other surety.

6.6. Certain Other Remedies. CATLLC may, in its sole discretion and upon written notice to CAT Reporter, suspend performance of any or all of its services under this Agreement (including access to the CAT System) until and unless CATLLC determines, in its sole discretion and upon whatever conditions CATLLC chooses to impose on CAT Reporter, to resume performance of some or all of the suspended services or allow CAT Reporter access to the CAT System.

7. OTHER PROVISIONS

7.1. Notice. Any notice, consent or other communication under or regarding this Agreement shall be in writing and shall be deemed to have been received on the date of actual receipt (a) to CAT Reporter, at the address provided by CAT Reporter in accordance with Section 2.3; (b) to CATLLC, at the address for notices made available by CATLLC on the CAT System from time to time; or (c) to Plan Processor, at the address for notices made available on the CAT System from time to time.

7.2. Parties in Interest. This Agreement shall bind, benefit and be enforceable by and against CATLLC and CAT Reporter and, to the extent permitted hereby, their respective successors and assigns. CAT Reporter shall not assign this Agreement or any of its rights hereunder, nor delegate any of its obligations hereunder, without the prior consent of CATLLC. Any assignment in breach of this Section 7.2 shall be void.

7.3. Export Regulations. This Agreement is expressly made subject to any U.S. government and other applicable Laws regarding export from the U.S. or another country, and import into any country, of computer hardware, software, technical data or other items, or derivatives of such hardware, software, technical data or other items. Notwithstanding anything to the contrary in this Agreement, neither Party will directly or indirectly export (or re-export) any computer hardware, software, technical data or any other item, or any derivative of the same, or permit the shipment of the same: (a) into (or to a national or resident of) Cuba, North Korea, Iran, Sudan, Syria or any other country to which the U.S. has embargoed goods; (b) to anyone on the U.S. Treasury Department's List of Specially Designated Nationals, List of Specially Designated Terrorists or List of Specially Designated Narcotics Traffickers, or the U.S. Commerce Department's Denied Persons List; or (c) to any Person, country or destination for which the U.S. government or a U.S. governmental agency requires an export license or other authorization for

export, without first having obtained any such license or other authorization required.

7.4. Relationship. The relationship between the Parties created by this Agreement is that of independent contractors and not partners, joint venturers or agents.

7.5. Force Majeure. Neither Party shall be liable for, nor shall either Party be considered in breach of this Agreement due to, any failure to perform its obligations under this Agreement (other than its payment obligations) as a result of a cause beyond its control, including any act of God or a public enemy or terrorist, act of any military, civil or regulatory authority, change in any Law, fire, flood, earthquake, storm or other like event, labor problem, unavailability of supplies, or any other cause, whether similar or dissimilar to any of the foregoing, which could not have been prevented by the non-performing Party with reasonable care. CAT Reporter acknowledges that availability of the CAT System is subject to normal system downtime and that none of CATLLC or its Representatives are responsible for delays or inability to access or use services caused by communications problems.

7.6. Entire Understanding. This Agreement states the entire understanding between the Parties with respect to its subject matter, and supersedes all prior proposals, marketing materials, negotiations, representations, agreements and other written or oral communications between the Parties with respect to the subject matter of this Agreement. Any written, printed or other materials that CATLLC provides to CAT Reporter are provided on an "as is" basis, without warranty, and solely as an accommodation to CAT Reporter. In entering into this Agreement, each Party acknowledges and agrees that, except as expressly stated in Section 5, it has not relied on any representations made by the other. Any such representations are excluded.

7.7. Modification and Waiver; Severability. Except as set forth in this Section 7.7, no modification of this Agreement, and no waiver of any breach or obligation of this Agreement, shall be effective unless in writing and signed by an authorized representative of the Party against whom enforcement is sought. This Agreement may not be modified or amended except with written agreement of the Parties, provided that CAT Reporter agrees not to unreasonably withhold its agreement. No waiver of any breach or obligation of this Agreement, and no course of dealing between the Parties, shall be construed as a waiver of any subsequent breach or obligation of this Agreement. A determination that

any provision of this Agreement is invalid or unenforceable shall not affect the other provisions of this Agreement.

7.8. Headings; Interpretation; Negotiated Terms. Section headings are for convenience of reference only and shall not affect the interpretation of this Agreement. Unless the context otherwise requires, “or” shall be construed in the inclusive sense. The words “including”, “include” or “includes” whether capitalized or not, means “including but not limited to”. This Agreement shall not be construed in favor of or against any Party by reason of the extent to which any Party or its professional advisors participated in the preparation of this Agreement. Unless stated otherwise, all references to a date or time of day in this Agreement are references to that date or time of day in New York, New York. If any date specified in this Agreement as the only day, or the last day, for taking action falls on a day that is not a business day, then that action may be taken on the next business day.

7.9. Forum Selection. EXCEPT AS OTHERWISE PROHIBITED BY FEDERAL LAW OR OTHERWISE PROVIDED BY SECTION 11.5 OF THE CAT NMS PLAN, FOR ANY DISPUTE, CONTROVERSY, OR CLAIM IN CONNECTION WITH, RELATING TO, OR ASSOCIATED IN ANY WAY WITH THIS AGREEMENT, CAT REPORTING, OR THE CAT SYSTEM, THE PARTIES IRREVOCABLY SUBMIT TO THE EXCLUSIVE JURISDICTION AND VENUE OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK AND THE NEW YORK STATE SUPREME COURT FOR NEW YORK COUNTY IN THE BOROUGH OF MANHATTAN, INCLUDING THE COMMERCIAL DIVISION. Each Party hereby agrees to commence any such action, suit, or other proceeding in (i) the United States District Court for the Southern District of New York, or (ii) if such action, suit, or other proceeding cannot be brought in such court for jurisdictional reasons, to commence such suit, action, or other proceeding in the New York State Supreme Court for New York County, borough of Manhattan, and seek assignment to the New York County Commercial Division whenever the jurisdictional requirements for Commercial Division assignment are met. Service of any process, summons, notice, or document by U.S. registered mail to such Party’s respective address shall be effective service of process for any action, suit, or other proceeding in New York

with respect to any matters to which it has submitted to jurisdiction in this Agreement. Each Party irrevocably and unconditionally waives any objection to the laying of venue of any action, suit, or other proceeding connected to, related to, or associated in any way with this Agreement, CAT Reporting, or the CAT System in the courts identified in items (i)-(ii) above, and hereby and thereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit, or other proceeding brought in any such court has been brought in an inconvenient forum. The provisions of this paragraph shall apply to any action, suit, or other proceeding commenced by any Party against any other Party to this Agreement, including those in which one or more Participants or the Plan Processor (or any Representatives of one or more Participants or the Plan Processor) are named as parties, regardless of whether CATLLC is also named as a party.

7.10. Third Party Beneficiaries. Except as explicitly set forth herein, nothing in this Agreement is intended to or shall confer upon any other Person any legal or equitable rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement, and except as explicitly set forth herein, no person or entity is intended to be or is a third party beneficiary of any of the provisions of this Agreement.

7.11. Governing Law. THIS AGREEMENT, AND ALL MATTERS BETWEEN CATLLC AND CAT REPORTER ARISING OUT OF OR RELATING TO THIS AGREEMENT, SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE FEDERAL LAWS OF THE UNITED STATES AND THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO ANY LAWS, RULES OR PROVISIONS THAT WOULD CAUSE THE APPLICATION OF LAWS OF ANY JURISDICTION OTHER THAN THE FEDERAL LAWS OF THE UNITED STATES AND THE LAWS OF THE STATE OF NEW YORK.

7.12. Counterparts; Electronic Signatures. The Parties may execute this Agreement in multiple counterparts, each of which when executed by a Party’s authorized representative is an original counterpart and all of which together constitute one agreement. The Parties agree that this Agreement may be signed using an electronic signature (as defined in 15 U.S.C. § 7006).
